In Our Prayers

Please give thanks for our students and the great job that they do representing our school (see below).

Please pray for final preparations for Red and Blue.

News & Updates

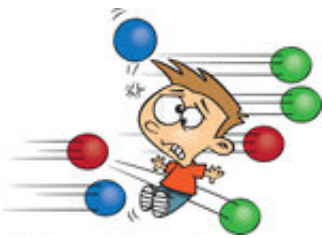

From the Guidance Director: On March 22 Juniors will be at CCC in the morning for "Career Aware 2016" which helps guide them with possible career choices.

The speech team Conference participants came home with some individual event success Wednesday night. Chris Warneke and Sarah Niemeier earned a 5th place medal in Duet. Jackson Richling earned a 5th place medal in Extemp. Erin Maier earned a 4th place medal in Persuasive. Alyssa Roehrich was Conference Runner Up in Entertainment. No too shabby for Chris, Sarah, and Alyssa in their first meet performing those specific events! As well, Jackson and Erin have added on to their medal totals so far this season to be 3 and 4 respectively! Great work Speechers!

Quiz Bowl travels to the ESU10 meet on Tuesday, March 1st. It will take place at UNK.

Quiz Bowl and NHS will host the 9th Annual Jr. High Dodgeball Tournament on Friday, March 4th. At least 15 teams from our area Lutheran schools will be participating.

From Mr. Wudtke—

I am so proud of our kids. The "end" of anything is difficult. We experienced the end of the basketball season for the girls and the boys teams over the last week. For the seniors, the thought of playing in their last high school basketball game after investing four years of hard work and long seasons is emotional. Our teams played in some very tough games this year. They had successful seasons. The basketball players did an awesome job in representing

our school and our Lord, as do all of our students almost all of the time.

I received this email yesterday from LeAnne Doose, mother of junior Jeremy Doose. She allowed me to share it with you!

"I had a discussion with my father today over my lunch hour talking about the upcoming game tonight and the basketball team. My dad turned the discussion to tell me about a visit he had with a friend of his from Blue Hill that he had coffee with earlier this week. This person asked my dad why he was at "The Heartland Lutheran" game last week at Blue Hill. He explained he had a grandson on the team who was out with an injury this year and he had been going to a few games this year anyhow just to stay connected with Jeremy's life. They talked a bit about that game, the #14 player on Blue Hill's side who was sinking three pointers seemingly at the half court line, etc. But the man from Blue Hill told my dad that although they were disappointed to lose, that the general attitude of our players was something he was not accustomed to seeing and he very much appreciated seeing that. He enjoyed seeing those boys pull off a win graciously, offering to help other players up off the floor after fouls, and just displaying maturity and respect toward the players from Blue Hill from start to finish."

I just thought that was a nice story, and it made my day. I already know this about those kids but it was beyond awesome to hear it said from someone outside of the circle of the school. Thought it might make yours as well."

The 3rd quarter ends next Friday, March 4.

There is no school on Monday, March 7.

Athletics

The boys Red Hornet varsity basketball team concluded their season last night as they could not bring down the Kennesaw Blue Devils. Congratulations to the team which ended 16-9 and set a record as the strongest defensive boys basketball team in HLHS history. We will certainly miss our seniors who led the team this year!

Spring sports of golf, track and field, and soccer (coop with GICC) begin soon. The coaches are communicating with students as NSAA allows practices to begin on Monday. The spring sports parent meeting will be on Thursday, March 10 at 7:00 pm.

All track and golf meets have been posted on our monthly calendar on our website.
